

Chamber Committee Profiles

The Chamber has a strong tradition of volunteerism; it is the engine that drives our organization. Below are the Chamber's active committees. To enhance your visibility and address those concerns of importance to the business community, please sign up for one or more committees.

Ambassadors Club Works to increase membership participation and retention. Ambassadors are the good-will arm of the Chamber and serve as hosts of Chamber functions.

Awards Luncheon Committee Produces the annual Awards Luncheon event honoring Southland business leaders.

Bankers Council Produces programs to link business with Southland banking institutions.

Business Expo Committee Annually produces the premier business trade show in the Chicago Southland.

Business Programs Committee Provides seminars, workshops, forums and programs for business.

Developers Council Network of builders, developers and real estate companies working to enhance opportunities within the Southland region.

Diamond Club Reserved for members who have brought in a certain level of new members to the Chamber during the previous year.

Diversity Council Works to enhance the business climate for all Southland businesses and assist companies in marketing to the Southland's diverse market.

Economic Development Committee Leading efforts to market, promote and implement economic development activity in the Chicago Southland region with particular emphasis on business attraction, retention, job creation and tax base expansion.

Education/Workforce Development Council Works towards effective education and workforce partnership between business, education and training institutions.

Fashion Show Committee Plans and implements the annual fashion show.

Golf Classic Committee Plans and implements the annual fundraising golf outing.

Government Affairs Committee Focuses on issues and legislation affecting the business community on federal, state and regional levels.

Health Care Council Focuses on issues and legislation affecting the health care industry and the cost of providing health insurance to employees.

Holiday Sports Luncheon Committee Plans and implements the annual luncheon, including a silent/live auction and raffle to help raise funds for the Ron Milnes Scholarship Fund.

Human Resource Committee Plans programs to assist members in the area of human resource management.

International Council Plans programs to assist members seeking to do business in the global arena.

Logistics Council Promotes and markets the Chicago Southland region to national and international firms as an area for warehousing, storage and excellent distribution.

Manufacturers Council Promotes and supports the retention and growth of manufacturing in the Chicago Southland region.

Member Services Committee Works to enhance member services and focuses on understanding the Chicago Southland business environment.

Membership Campaign Committee Plans and implements an ongoing membership sales effort for the annual membership campaign.

Technology Council Plans seminars and works to enhance the technology capabilities of Southland businesses.
